CONTENTS

BATCH No:

Rainbow & Brown SuperWetter

DIRECTIONS FOR USE

Use where indicated by the herbicide directions at 100 – 200ml per 100Lt of spray solution. Add when the spray tank is 90% full, to reduce foaming.

When applied as directed to dry plants, the rain risk period is reduced to about 30 minutes. The rain risk period is not shortened if wet plants are sprayed.

Not to be used on food crops.

PRECAUTIONS

Keep out of eyes; wear eye protection. Avoid contact with skin or clothing. Avoid breathing spray mist.

DISPOSAL OF CONTAINER

Triple rinse empty container and add residue to spray tank. Burn container if wind direction permits, otherwise bury in landfill.

FIRST AID

Contact with eyes: Rinse with running clean water for 15 minutes. Seek medical attention.

If Swallowed: Give two glasses of water. Induce vomiting. Seek medical attention.

Skin contact: Wash well with clean water. Remove and wash affected clothing.

For emergency safety advice call freephone (0508) 299 299
